

SAVE THESE DATES!

On **March 9th, 10th, and 11th of 2010**, the New England Section of the Society of American foresters will be having a Regional Meeting at the Courtyard by Marriott in Nashua, NH. This happens every four years with NH being the host.

These foresters have a membership of 1,000+ from the Northeastern United States and Southeast Canada. They manage millions of acres of timberland and all aspects of natural resources and earth sciences, and needless to say are involved in the procurement and sale of products to do their jobs.

If you are interested in meeting these Natural Resource Managers for whatever reason, i.e. sale of products, land and timber acquisitions, employees, etc. Now is the time to meet them in a casual setting face to face.

Cost to reserve Exhibitor space is \$250.00 (includes tables, electricity and skirting), and Sponsorship is \$300.00. Checks should be made out to NESAF, and sent to Harold Cook at Greenleaf Products, Inc., PO Box 288, West Ossipee, NH 03890. We are also currently looking for raffle items.

If you have any questions, please feel free to call me on my cell phone at: (603)496-5757, or at the office at (603)323-7114; e-mail: glp@nhland.com .

Thank you in advance, and hope to see you on **March 9th, 10th, and 11th, 2010.**

*This meeting is the beginning of much larger
events in 2011 "The Year of the Forest,"*

Sincerely,

*designated by the UN, and is also the 100th
anniversary of our National Forests,
and the New Hampshire Timberland Owners
Association. Stay tuned.*

Harold W. Cook

Exhibitor/Sponsor Chair
