

## **NESAF Winter Meeting 2012 CALL FOR ABSTRACTS**

The New England Society of American Foresters is announcing a call for papers for the 92<sup>nd</sup> Winter Meeting to be held April 4-6, 2012, at the University of Massachusetts in Amherst, MA. The papers will be presented during a Lightning Round session and Posters will be presented during the Poster Session. Papers can be submitted as Oral (with a poster) or as a stand-alone poster. The idea of the lightning round is to provide a forum for anyone with new research results or other relevant information to present to NESAF. We are especially interested in student projects and research.

Oral presentations will run for a total of 10 minutes including any questions, and the timekeeper will be strict. Anyone giving a lightning round oral presentation may also prepare an accompanying poster to display during the poster session. Posters may also be offered as stand-alone presentations.

Submissions will be evaluated based on their scientific merit and relevance to the fields of forestry and natural resources. This call for papers is open to all attendees wishing to present new developments in all disciplines related to forestry and natural resources.
