

Dear Potential Sponsor/Exhibitor,

December, 2016

Hundreds of foresters, wildlife biologists, and natural resource professionals will be converging on Bangor Maine's Cross Insurance Center on March 8-10, 2017.

The Maine Division of Society of American Foresters, New England Society of American Foresters, the Maine Chapter of The Wildlife Society, and the Northeastern Forest Pest Council are hosting “**Adapt. Adopt. Advance: Resiliency in Natural Resource Management**”. This conference will focus on a series of panel presentations, field trips, and indoor workshops that highlight current research and give resource professionals the tools necessary to successfully manage all our forest resources. The program is a half day Wednesday and all day Thursday with a myriad of excellent breakout sessions. Friday incorporates a half day of indoor and/or field trips as attendees travel home. A complete agenda with registration will be posted at www.nesaf.org.

Each year sponsors play an invaluable role in making the annual meeting a success. Donations from sponsors enable us to keep registration costs low so that, even in times of tight budgets, everyone can attend. Your contribution will help make this event a productive gathering of natural resource professionals from all disciplines. Any contribution level is welcomed.

We have several opportunities for your organization to show your support, from sponsoring a break, breakfast, lunch, or social hour to exhibiting your goods or services at a booth. Our raffle of donated items can also help showcase your company or organization. We strive to make sure food and breaks are located with the exhibitors to encourage participant flow and maximum exposure for our exhibitors. Sponsor signage will be displayed at all breaks, lunches, breakfasts or social events. All exhibitors and sponsors will be recognized during the opening remarks, as well as within the attendee packets provided.

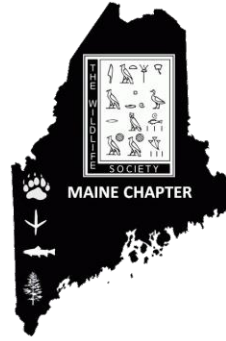

Exhibitor fees are \$350 or \$250, which includes one full registration and electricity if needed. Sponsorships range from \$500 to \$1500 with four individual designations (Bronze to Platinum). Platinum and Gold sponsors will be recognized as a lunch or breakfast sponsor. The Banquet Sponsorship will total \$5000 and can be split between several Platinum Sponsors. Partial break sponsorships will be allocated for amounts smaller than Platinum. Each sponsor will receive one full registration with two full registrations for a Gold or Platinum sponsorship.

Attached is a registration form and a list of sponsorship levels and their associated rewards to help guide your donation decision. Individuals can mail these registrations to Laura Audibert at the address on the bottom of the form, or one can log on to the NESAF website (www.nesaf.org) and register with a credit card. If anyone has any questions or needs further information, please contact me at the address and phone number below. We are looking forward to a very successful meeting, and your support is appreciated. I hope to see you in March!

Sincerely,

Ronald C. Lemin, Jr.
