Call for Nominations – 2009 NESAF Executive Committee Elections

NORTH SCITUATE, RI. – It is not too early to start the process of recruiting nominations for the 2009 NESAF elections. Accordingly, the following positions will be available starting in the year 2010.

- Secretary (open to all)
- Treasurer (open to all)
- Connecticut State Representative.
- New Hampshire State Representative
- Rhode Island State Representative

NESAF needs your help in two areas:

- First, we need your help in passing the word within state divisions/chapters to help find candidates to fill the positions that will become available in those respective states in 2010.
- Second, think about who might be interested in running for the positions of Secretary and Treasurer. This position is open to all voting members of NESAF.

If you find or know of interested individuals who are interested in running for any of these positions, please acquire their name and contact information. Send this information to Paul Dolan (see contact information below). He will send out a letter and biography form for them to fill out.

Participation on the NESAF Executive Committee is a good opportunity for individuals to contribute to the forestry profession by sharing their ideas and experiences with other forestry professionals from around New England. Please help us in encouraging others in our profession to become candidates and support our profession.

Any questions, please contact:
