

Posters and Flash Talks

To engage all members, we are seeking both traditional poster presentations and flash talks. Researchers, field foresters, and other land managers are encouraged to participate with a poster or flash talk, as sharing your experiences will benefit the entire membership.

An abstract is required for either poster or for a flash talk. The abstract includes a title and author's names, affiliations, and locations, lead author's contact information, and whether the submission is being considered for a poster or flash talk. The body of the abstract (not including names, etc.) is limited to 300 words.

The deadline for submission is February 22nd

The lead authors of posters and flash talks accepted for presentation will be notified by email by March 8th and accepted abstracts will be included in the spring NESAF News Quarterly.

Poster Guidelines: Posters will be in a prominent location and available for viewing on March 27th and 28th. NESAF will provide easels and 48 x 48 in foam core board for display.

Flash Talk Guidelines: The flash talk session is on March 28th from 3 to 4:15. Up to ten presentations will be selected from submitted abstracts. The 10-minute timeframe is strictly enforced with 7 minutes for presentation and 3 minutes for questions.

Please send your abstracts for consideration to Tony D'Amato (awdamato@uvm.edu) by February 22nd.
